

TEWKSBURY YOUTH SOCCER LEAGUE

Dog Policy For Frasca Fields

Although dogs are considered by some to be part of the family, they are NOT allowed at Tewksbury Youth Soccer League (“TYSL”) games or practices. There are a number of children (and adults) who are frightened of dogs. Additionally, dogs often relieve themselves on the same fields where our children play soccer.

Even if kept on a short leash and prevented from wandering, dogs are not allowed at soccer practices or games.

To avoid any incidences, TYSL asks you to please leave your dog at home.
